

You've invested in the safety and comfort of your family with this world-class system from Green Dot Heating & Air. As one of the most trusted companies in the state, we're confident that you'll enjoy the safety and comfort that this new system will bring for many years to come.

We have provided you with this certificate, and corresponding work orders will ensure that your equipment is under warranty with a peace-of-mind assurance if trouble arises.

Guarantee Certificate

- We value your home guarantee
- We value your safety guarantee
- Energy Savings guarantee
- "No Lemon" guarantee
- We value your satisfaction guarantee
- We value your time guarantee
- One Year "Test Drive" guarantee
- Workmanship guarantee

After the installation, your equipment is registered with the manufacturer to activate the warranty.

For labor, the warranty is 1 year.
For parts on newly installed equipment, it is 10 years.
Most thermostats are 5 years.

Consult with your comfort advisor to get the full warranty details of your new equipment.
